

## Assessment in Art

### K-3

The objectives in art at this level are:

1. Motor skill development
2. Exposure to a variety of materials and art styles
3. Following the class rules
4. Following directions
5. Staying on task

### 4-5

The objectives at this level are:

1. Demonstrate an understanding of the concepts being taught in the lesson.
2. Quality of work is age appropriate as well as individual appropriate.
3. Staying on task
4. Following the class rules
5. Following directions

Students are expected to make up missed work and will be allowed to take work home to complete as long as the materials allow.

Any unfinished project at the end of the grading period will automatically receive a D grade.

### 6-8

The objectives at this level are:

1. Demonstrate an understanding of the concepts being taught.
2. Quality of work is age appropriate as well as individual appropriate.
3. Staying on task
4. Following class rules
5. Following directions

Students are expected to make up missed work and will be allowed to take work home to complete as long as the materials allow.

Any unfinished projects at the end of the grading period will receive a D grade IF it is turned in to the teacher.
