Committee Reports

Scrip-We are currently funding PTO ourselves, not through scrip. Kim asked for volunteers to help pick up local Scrip.

Spirit Wear-Kim Phelps reports that we are currently \$752.00 in the red with orders being made recently. We are out of stock on many items and deciding what we want to restock. The School Board is wondering how we should market STS, possibly with License plates around Catholic Schools Week. PTO would like to make an agreement with YAK about Sports Spirit Wear, will continue this discussion at a future meeting.

Uniform Exchange-We are in need of another storage unit. Remember that clothes should be clean and neat when dropped off for exchange. "Maroon Light Special"

PTO News-Robin Crouch & Vicki File will coordinate.

Old Business

Basketball backboards in the parking lot are in need of new poles and backboards. We may just replace the 2 in the playground lot since they get more use.

New Business

Calendar-October is loaded. Grandparents Day October 13, will be changed and less formal. We'd like to change the name to Special Persons Day so more children can be involved. Book Fair October 11-15.

Spring Fest- May 13, 2011

Mr. Kolakovich & Mrs. Gleason are working on the room mom list.

Hot Lunches-Some improvements need to be made and food choices changed. We will have some type of snack cart available.

Volunteers are always needed!

Rewards-Please don't forget to save Box Tops, Campbell's Labels, My Coke Rewards, Ink cartridges. Robin has accounts at Staples & Office Max that will go towards office and teacher needs.
